

Leather Natural

Home, L6o

vitra.

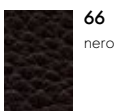

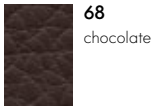

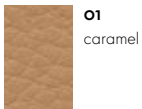

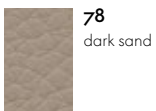

Leather Natural is a very soft cowhide leather; the untreated grain gives it a very natural appearance. It is porous, breathable and warm to the touch. Through use, it takes on a lively, characteristic patina. It is available in 4 colours.

Material	Aniline cowhide nappa leather with an open-pored texture and natural grain
Fastness to light	Type 3
Thickness	1.3-1.5 mm
