

# Skin

## Home/Office

Skin is a three-dimensional technical textile. The small size of the cells in the honeycomb structure give the fabric an even surface texture, while providing for high breathability and pleasant thermal conditions. Skin is a robust knit and ideally suited for applications in office environments.

Skin is available in 4 colours.

Skin is used for the seat and back of HeadLine in combination with the cover material Cap 2 for the hood.

### HeadLine

		Skin	
Material	100% polyester		<b>04</b> light grey
Weight	330 g/m <sup>2</sup> (9.7 oz/y <sup>2</sup> )		<b>08</b> blue
Width	163 cm +/- 3 cm (64")		<b>06</b> red
Abrasion resistance	40,000 Martindale		
Fastness to light	Type 6		
Pilling	Grade 4-5
