

Classic Maharam Pillows

Various Designers, 1947-1973

The New York textile company Maharam produces fabrics of the highest quality. The 'Textiles of the 20th Century' pillow collection features patterns by some of the greatest architects and designers of

the last century. The decorative pillows are beautifully coordinated and can also be attractively paired with other pillows and fabrics.

Materials

- **Filling:** duck half down.
- **Fabrics:** Maharam, New York.
