

Cork, a natural rigid foam harvested from the bark of the cork oak, is distinguished by its light weight and pleasant tactile qualities. The robust, fire-resistant material varies in both colour and texture, so that every piece of furniture or accessory made from cork is a unique, one-of-a-kind object.

Corrugated Cardboard

Derived from a renewable resource, this natural material is layered and finished with strong side edges to make a small number of Vitra products. In this form, it maintains a surprising degree of stability and rigidity.
